

Practice DITCHing your Textbook with Matt Miller

Teachers are no longer the gatekeepers to education. With ubiquitous information available from Google searches, YouTube videos and social media, how do we as educators navigate the new landscape?

It's time to "Ditch That Textbook," engaging students in digital spaces and rethinking our "textbook" beliefs about education. You'll leave this session with lots of practical, "use in class tomorrow" ideas for using technology in the classroom. You'll also be inspired and equipped to provide the most relevant education possible for your students. Thorough digital handouts save links to all your valuable content in one place to refer back to later. Be sure to bring a laptop, Chromebook or tablet to get the most out of this workshop!
