

MAKING CONNECTIONS

Agenda for Physical Education

9:30-11:30 a.m. Session

- Define and explain how Physical Education correlates to students' academic performance
- Draw alignments between Physical Education content and the NDSS initiative.
- Modeling how to integrate NDSS into your daily lessons
- Discuss recently updated Physical Education standards
- Determine “Power” Outcomes and rate them for readiness, endurance and leverage.

12:30 – 2:30 p.m. Session

- Unpack and discuss state outcomes that score the highest in **leverage**.
- Discuss applying formative assessments and design at least 2 summative assessments with rubrics for a chosen “power” outcome.
- Action Plan

*****We are asking that all participants bring one or two physical education standards they are currently working on or will be working on.***
