

RESP Director's Report

Amy Axtman October, 2010

Please share this RESP report with your school board members.

Learning in a Digital World

On January 17, 2011, international presenter and technology consultant Bernajean Porter will present *Project Headware: 21st Century Thinking with 21st Century Tools*. Enjoy a look at effective technology practices that support learning. Technology specialists from across the region will join Ms. Porter as we explore technology tools that support learning. Topics include:

- *Promethean Board
 - *Microsoft 2007
 - *High Tech Science
 - *Blogging
 - *Assistive Technology
 - *IPad/iTouch
 - *EDUModo
 - *Tegrity/Jing
 - *STEM technology
 - *Internet Safety
 - *EDUSocial
 - *Digital Research
 - *GPS
 - *Technology Policies
 - *Alice-Beginning Programming
 - *Reading Strategies
 - *Music Technology
 - *Learning Management Systems
 - *Podcasting
 - *Smart Board
- AND MORE!**

RESP Content Meetings

Registration for RESP Teacher Content Meetings is available at www.resp-k12-education.org

The day will include discussion on standard-based exemplars, engaging students in formative assessments and sharing best practices. All RESP Content meetings will be held from 9:00-3:30 in Murphy Hall, room 202 on the DSU campus. Participation fees are \$20 for RESP members and \$34 for RESP guests.

RESP Launches School Improvement Team Webinars

You are invited to join us on October 11 from 4:00-5:30 MT as Angie Koppang and Linda Paluck host the first RESP School Improvement Team Webinar. Tap into the success of other districts and get the help you need to organize and implement your education improvement plan.

You can join the meeting in person at the Berg Professional Development Lab or sign in from the comfort of your own computer. You will need a web connection and a computer with a microphone and speakers, or a speaker phone.

This webinar is FREE to RESP districts.

Call us at 456-0002 for more information.
