

~RESP~

RESP Paraprofessional Training Program serves all districts in the RESP area. RESP's PD Specialist provides effective practices to train new and experienced paraprofessionals.

Paraprofessional Trainings:

	Participants	Districts
2023-to date	86	6

- **Often, paraprofessionals don't feel that they have sufficient knowledge or preparation to be effective in their roles.**
- **Paraprofessionals frequently receive no formal training but learn from their colleagues on the job.**
- **Without appropriate preparation and training, paraprofessionals will not be able to support teachers and students effectively.**

**PARAPROFESSIONALS
AREN'T AN "EXTRA."
THEY'RE ESSENTIAL
TO STUDENT SUCCESS.**

***Services Provided for Districts:**

~Training Modules 1-3:

1. Understanding the Basics
2. Being Part of the School Team
3. Managing Student Behavior

~Training Modules 4-6:

1. Working with Small Groups
2. Working with an Individual Student
3. The ABC's of Behavior

~Additional Modules are forthcoming!
