

Agenda for WORKshops!

Secondary Special Education Teachers

Topic: Secondary Transition

Presenter: Karla Hill, Assistant Director - West River Student Services Unit

Brief Description: Participants will gain a better understanding of the Secondary Transition IEP writing process and how the IEP is monitored for Indicator 13 of the State Performance Plan.

- Participants will gain understanding of the link between the Post-Secondary goals on the T1 page and how these should be used to progress to the T1 present level, T2, and T3 page.
- Participants will gain understanding in writing goals that relate to transition.
- Participants will gain understanding of transition assessments and how to utilize them in the IEP.
- Participants will be given examples and resources to strengthen their ability to write transition IEP's.
